Space Team Aachen

About Space Team Aachen

The Space Team Aachen is a space science association founded by students of the Aachen universities. Our team is formed of ambitious students from a variety of fields who share the fascination for space exploration. Our team designs, builds and flies experimental rockets and scientific experiments. We set high, challenging goals in order to reach our best performance. We believe in equality and stand for the exchange of our aggregated knowledge.

Your responsibilities

As the marketing team we do everything to promote our club in Aachen and beyond. To inform other students, sponsors and interested people alike about the association, our projects, and our partners, we do need a good web presence. As we want to overhaul our website and setup an internal wiki, we need you. Your tasks in the team include:

- Setup a new website for Space Team Aachen
- Keep our websites up to date
- Manage our internal wiki

Our requirements

- Structured and organized way of working
- Experience in web design is a plus
- Able to work in a team together with other students
- Ability to take responsibility and work independently
- Fascination for rocket science is a plus
- Good knowledge of German and English, written a must, spoken is a plus

What do we offer

- Be a part of a team of an association with close to a hundred members and some of the largest aerospace projects in Aachen
- Opportunity to make a long term difference in the associations development
- Interdisciplinary teamwork in a highly motivated team
